FOR OUR GUEST

Welcome in.

You made it. Kick off your shoes, pour a glass of water, and let this room be yours for a while.

Good-night checklist

- [ ] Extra pillows and soft throws are in the closet.
- [ ] Lamp switch is right on the nightstand.
- [ ] Water is by the bed — help yourself, always.
- [ ] Earplugs live in _____ if you're a light sleeper.

print • cut along the edge • fold on the dotted line

WHILE YOU'RE HERE

If you need anything — a towel, a charger, directions to somewhere good — just ask. Genuinely: just ask.

Wi-Fi, house rules, and quiet hours are all on the card by the desk, so you never have to wonder.

Anything that would make your morning easier?
