On your way out — take a bag for the road.

The tote by the door is not decoration. It is filled for you.

What's usually in there

- [ ] A water bottle
- [ ] A snack for the drive
- [ ] Granola bars
- [ ] Gum or mints
- [ ] A chocolate for the hard stretch of highway
- [ ] Whatever else is in the bin — rummage freely

One rule: take two. One for now, one for later.

Where to find the bag:

A note from your host:

Nobody leaves a kind home empty-handed.
