Host restock checklist

Ten minutes before every arrival. Five minutes after every goodbye. That's the whole price of hosting well.

After every stay

- [ ] Wash towels and bedding within a day.
- [ ] Restock toilet paper and hand soap.
- [ ] Wipe the counters and the bedside table, and reset the welcome card.
- [ ] Refill coffee, tea, and sugar.
- [ ] Empty all trash and recycling.
- [ ] Restock the to-go bag: water, snacks, the little things.
- [ ] Sweep the guest room for strays: chargers, socks, a forgotten book.

Before guests arrive

- [ ] Print a fresh welcome pack (bedside card, Wi-Fi & rules, towels note).
- [ ] Refresh the neighborhood eats shortlist.
- [ ] Test the Wi-Fi with the printed password.
- [ ] Set the quiet hours note where a tired traveler will read it.
- [ ] Pet coming? Fill out the pet confirmation card.
